

OUT OF THE SHADOWS

outofshadows.org

The **Out Of The Shadows** documentary lifts the mask on how the mainstream media & Hollywood manipulate & control the masses by spreading propaganda throughout their content. Our goal is to wake up the general public by shedding light on how we all have been lied to & brainwashed by a hidden enemy with a sinister agenda.

This project is the result of two years of blood, sweat, and tears by a team of woke professionals. It's been independently produced and funded and is available on many different platforms for free for anyone to watch.

Patriots made this documentary with the sole purpose of getting the truth out there. If you like the documentary, please share this video.
