

VIDEO: Feds Using Tribal Governments for Tyranny

Tuesday, 21 July 2020

Federally funded tribal governments are being used as a battering ram against the U.S. Constitution, state sovereignty, and individual liberty, Indian policy expert and author Elaine Willman told The New American magazine's Alex Newman. In her new book *American Tribal Tyranny*, Willman lays it all bare. She gives insight into the new Supreme Court ruling on Oklahoma, and explains how the federal government's complex and unconstitutional Indian policy mess is helping destroy the nation.
